## Membership Form

Katherine Regional Arts (KRA) works across the Katherine Region to support the arts, artists and community cultural development via the arts. KRA members contribute to building and shaping our organisation and therefore support the arts and artists of our great region.

KRA members:

- are eligible to vote at annual general meetings
- can be elected to the board of management and join other steering committees

Members also get involved with KRA in other ways: by signing up for our regular newsletters and e-bulletins with reminders about performances, workshops, forums and special events; becoming a volunteer to contribute to the great events and programs we deliver; and by accessing our services like project development assistance and advice on funding applications.
