By being part of local arts events and helping out behind-the-scenes volunteers help make KRA a vibrant community arts organisation. We're always on the lookout for new volunteers so please tell us about yourself and how you'd like to be involved and we'll try and find some volunteer work for you.

### **Hosting (billeting) artists**

Some of our volunteers host visiting artists while they're in Katherine. This helps KRA keep the cost of accommodation down, makes more events possible, and allows artists to meet local people. To host an artist you must have a guest room or stand alone accommodation where they can stay, preferably with separate shower/toilet facilities. Separate kitchen is also highly regarded.

Are you interested in hosting visiting artists?   

If yes, please describe the room/space
